Dear Ms. Floreen,

On behalf of the First Baptist Church of Silver Spring, I want to thank you for attending our International Day Worship Service and Celebration. And thank you also for your words of encouragement to our congregation.

We deeply appreciated your taking the time out of your busy schedule to spend the time with us and see first-hand what we are trying to do to contribute to the growth of multi-cultural harmony in greater Silver Spring, and especially in the developing downtown.

I hope that our acquaintance will continue to grow. I will keep you informed as our building project develops further. We are waiting for the architects to come up with the new drawings for the extension of the property to include the former Bishopric between St. Michael's School yard and the playground of the First Baptist Church Child Development Center. As soon as we are ready to submit for permitting, I will let you know.

May God bless you in your service for the people of our community.

Sincerely,

Dr. Duncan McIntosh, Pastor
